Purpose, Passion and Vision Board One Day Program with Robyn Bull Workshop

Part 1 PURPOSE

**What is the purpose of your life?
Why are you here?**

The morning commences with Purpose. This is where we ask some connected, intense and powerful questions. And through processes and discussion you will write your purpose.

*'You are born with a character,
it is given, a gift, as the old stories say, from the guardians
upon your birth...Each person enters the world called...'*

JAMES HILLMAN

Part 2 PASSION

**What is Passion?
How does passion feel for you?**

There are many times in our life where we won't feel passion whether in our personal life, or our work. However from this session you will learn strategies and techniques that support and will empower you to bring more passion into your life.

Part 3 CREATE YOUR VISION BOARD

After lunch we participate in two powerful processes that will encourage a deep connection to your body and your heart's truth. With your purpose and your passion you are now ready to create your future vision and this future vision will become your vision board.

Creating a Vision Board is a fantastic way to help you identify your personal path in life, and clearly define what you want to create within it. A vision board is a powerful visual representation of your dreams and desires.

TESTIMONIAL

'The process of developing my vision board allows me the freedom to explore and determine my true desires, hopes and dreams to motivate myself toward bringing these to life. As I cut, paste and paint I find myself immersed in a soulful journey within. My intuitive self ignited as my guide. The making of this beautiful vibrant collage is fascinating. Never truly knowing how it will look. Always adding more. I notice it growing and changing as I do. It is taking me on an outward reality that is now my life. Thankyou for this wonderful truth Robyn.'
